# WONKA COMEDY FESTIVAL

MAY 14  
MAY 24

From Thursday, MAY 14 to Sunday, MAY 24, five theaters from the Brainport region are organizing the fourth edition of the Wonka Comedy Festival (Laugh Together). A festival in which comedy plays the leading role.

For 10 days, the various theaters will host performances by comedians from abroad. Including several shows in English, Polish, Turkish, Greek and Servo-Croatian.

The Wonka Comedy Festival is the result of the Wonka Podia: a successful collaboration between Parktheater Eindhoven, Kattendans Bergeijk, Theater de Schalm Eindhoven, Theater de Hofnar Valkenswaard and Het Speelhuis Helmond.

**Wonka Podia is a close partnership between five theatres in South-East Brabant (the Brainport region): De Kattendans in Bergeijk, Het Speelhuis in Helmond, De Hofnar in Valkenswaard, Het Parktheater in Eindhoven and Theater de Schalm in Veldhoven.**

Through this partnership, we share experiences and learn from one another in areas such as technical operations, marketing and programming. Together, we are taking steps to make our venues more accessible and to welcome everyone who wishes to visit – even more warmly.

We share a common focus on overarching themes such as inclusivity, internationalisation and education. By working together, we create a greater impact and can make a bigger difference to the Brainport region; our area of operation.

**ABOUT WONKA PODIA**

**WELCOME EVERYBODY**

**Here is the very first edition of Wonka Podia Theatre No Dutch Required Theatre Magazine!**

Our five theaters have been working closely together for over five years now, striving to make our venues even more accessible. We have already had the opportunity to organise many fantastic projects. For example, every spring there is a major theatre tour of primary schools, an international comedy festival in MAY, and we take part in the national 'Week van de Toegankelijkheid'.

Through the No Dutch Required label, we jointly present a programme of theatre that is also accessible to non-Dutch speakers. The label presents a wide selection of performances and shows without spoken language, making them accessible to everyone. Music and dance speak all languages, and for selected performances English surtitles are available. Language is no barrier to enjoying these shows.

You can find this label on our theatre websites and easily find shows by selecting this label within the theatre program. Over the last years we also presented the No Dutch Required program on our joint website [wonkapodia.nl/en](http://wonkapodia.nl/en) and presented a 2-monthly agenda in several magazines in the Brainport region.

The next step in making our program accessible to non-native speakers is this handy reference guide. We hope you like it!

We're very proud of it and hope it helps you choose from our wide range of No Dutch Required performances. And of course, we'd love to see you in our theatres this coming season!

**COMPAGNIA BACCALA | OH OH**

Two characters, simultaneously confident and completely lost, stumble onto the stage as if by accident. Wordlessly, through humour, acrobatics, and the universal language of the human body, they embark on an antic-filled journey of discovery and transformation.

Oh Oh is a joyful, absurd pas de deux — a slice of life from a double act — blending clowning, circus, and physical theatre.

Rooted in the long tradition of clowning, the show refreshes this art form without distorting it, combining slapstick, poetry, and high-level acrobatics into a tender and hilarious performance for all audiences."

**SATURDAY 21. NOVEMBER 2026**  
**TAP FACTORY**

"Tap Factory is a high-energy urban dance show combining tap dance, percussion, comedy, and acrobatics.

Using everyday objects like bins, ladders, and tools, eight male performers create an explosive rhythm spectacle.

The show blends precision, humor, and impressive choreography, delivering a fast-paced and entertaining experience for all audiences."

HIGH LIGHTS PROGRAMMER SUGGESTIONS  
FROM PARKTHEATER

**FRIDAY 2. OCTOBER 2026**  
**ICK DANS AMSTERDAM | L.A.V.A.**

Driven by a shared desire for encounter and confrontation, ICK Dans Amsterdam and Scenario Pubblico | Compagnia Zappalà Danza created an international co-production: L.A.V.A.

Between North and South, two powerful choreographic universes converge: the impulse-driven, physical language of Greco & Scholten and the rhythmic, collective energy of Zappalà. This leads to a charged encounter in which difference generates movement.

What follows is an intense physical and sonic journey through a landscape of tension, friction, and underground currents. On a single shared stage, new movement emerges from different styles: raw, layered, and unpredictable. Like lava itself - bubbling beneath the surface, ready to erupt, yet at the same time slow and powerful. Bodies approach each other, collide, and break open again. Intensity arises not from harmony, but from friction. Can we tolerate difference and ultimately regard it as a fertile, new field?

Salvador Breed's soundscape forms a force of its own within the performance: a pulsating sonic landscape of electronic textures and rhythms. Deep resonance drives the dance forward, disrupts it, and keeps it constantly under tension.

L.A.V.A. demonstrates how intense vitality arises from difference. Not through harmony, but through friction. Not through distance, but through closeness. The audience finds itself during this physical and sonic eruption.

**THURSDAY 05. NOVEMBER 2026**  
**KING ME | GREG SHAPIRO**

In 2026, on the 4th of JULY, the USA celebrates 250 years of independence - by bringing back the King. With Donald Trump in power, it feels like it's been 250 years. "What a perfect time for another American Revolution", says Dutch-American comedian Greg Shapiro.

Shapiro dares to share a positive take on the USA. Perhaps Trump's tyrant act won't last long, especially if Europe is strong.

The American Dutchman Greg Shapiro will also help you prepare for the US Midterm elections in November 2026 - if they are even allowed to happen this time.

Shapiro presents a mix of standup and storytelling, with a bit of Trump-inspired improvisation. 'KING ME' is Shapiro's 9th solo show.

**THE ILLUSIONISTS | HANS KLOK**

After sold out runs in cities such as New York, Las Vegas and London, The Illusionists finally arrive in the Netherlands. This exclusive edition is an international production by Cirque du Soleil Entertainment Group, with Hans Klok as its driving force.

Hans Klok is known worldwide for his speed, precision and illusions performed live, down to the very second. For this show, he brings together five leading international illusionists on one stage for the first time. From escapology and mind magic to manipulation and large scale visual illusions. Together, they redefine what live magic at the highest level can be. Everything happens live. No editing. No safety net. No second chances.

A rare opportunity to experience world class illusion up close.

**BOLLYWOOD MASALA | HET SPICY DANS EN SHOW SPEKTAKEL UIT MUMBAI!**

When you think of Bollywood, you think of the largest film industry in the world: India. And when you think of Masala, you think of all those curry dishes, consisting of a magical mix of spices.

Bollywood Masala is a large-scale dance show that combines film, dance and Indian gastronomy in a festive musical comedy. The show tells the story of the famous Indian chef Mr Kari Balti, inventor of on-location catering at the time when the film industry was emerging.

Director Toby Gough and choreographer Mahesh Poojary have created an energetic show packed with cheerful dances, more than 300 colourful costumes, epic romance, comedy and hits from Bollywood films such as Devedas, Lagaaan, Dhoom and the Oscar-winning song Naatu Naatu from the film RRR.

This Mumbai-made show is based on the traditional "masala movie" formula, where genres and emotions mix without hierarchy. The dancers have shared the stage with Shah Rukh Khan and Amitabh Bachchan, among others, and the musicians play ethnic themes with traditional instruments such as the zither, the drum and the sarangi.

**ACTING THE MAGGOT |  
IRISH REBELS & ROVERS**

Following the overwhelming success of their first tour, Acting The Maggot returns to the theater. The best Irish party band in the Netherlands presents its new show, 'Irish Rebels & Rovers'.

Expect a lively evening filled with Irish sounds, rousing rhythms, and that classic pub atmosphere, but right in your own theater!

In 'Irish Rebels & Rovers', the musicians take you on a musical journey through the green heart of Ireland, past centuries-old ballads, fiery folk songs, and rebellious battle hymns. Songs full of passion, love, and freedom. With a singer who's a fantastic storyteller, a dose of humor, a ton of energy, and a mountain of musicality, the stories of the Irish 'rebels and rovers' come to life.

Familiar classics about love, whiskey, and rovers are effortlessly interspersed with surprising gems in their own unique arrangements. Performed with passion, virtuosity, and above all, great fun, just as only Acting The Maggot can!

Whether you come to listen, laugh, or secretly wipe away a tear, this evening leaves no one unmoved. Get ready for an unforgettable evening full of music, stories, and Irish passion!

**SUNDAY 04. APRIL 2027**  
**THE LSB EXPERIENCE |  
SONGS OF PAUL MCCARTNEY**

Paul McCartney needs no introduction. His music has touched generations and remains as popular as ever. With the theatrical concert 'Songs of Paul McCartney', The LSB Experience presents an evening filled with timeless music; from the global hits he wrote for The Beatles to his successes with Wings and his impressive solo career. Songs he composed for others, such as 'World Without Love' by Peter & Gordon (a number one hit in the U.S. and the U.K.), are also featured in this performance.

The LSB Experience is nationally and internationally acclaimed for their flawless harmonies and authentic interpretations. They have been performing for over ten years at America's largest Beatles festival, have performed multiple times at The Cavern Club in Liverpool (sacred ground for every Beatles fan), and have captured the hearts of music lovers on the hugely popular Music Cruises (The Flowerpower Cruise & The Rock and Romance Cruise) in the Caribbean.

Following the earlier successful theater programs 'Songs of the Troubadour', 'Beatles & Beyond' and 'Songs of Crosby, Stills, Nash & Young', this is The LSB Experience's fourth theater tour.

**VLAD & VERONIKA | REVELATION**

**Vlad & Veronika are now conquering Dutch theatres**  
After their impressive appearance on Holland's Got Talent 2025, Vladyslav and Veronika bring their latest dance production Vlad & Veronika - Revelation to theatres across the Netherlands. With breathtaking choreography and poetic movement, they take the audience on a journey filled with emotion, love, and human resilience.

**FIRST ACT: My Orpheus**  
Inspired by the myth of Orpheus and Eurydice and the artistic philosophy of the legendary French master Jean Cocteau, My Orpheus is a surreal journey between worlds. It explores what an artist leaves behind - how they become immortal through their creations. This is a story about love, the search for oneself, and the desire to leave something meaningful for humanity. The poetic movements of Vladyslav and Veronika closely echo the spoken word of Jean Cocteau.

**SECOND ACT: Everglow**  
Everglow is a deeply personal and moving performance, reflecting the first months of the war through the lives of Veronika and Vladyslav. Each time they step onto the stage, they relive these moments - filled with faith, fear of the unknown, support, and the struggle to live and to love truly. It is a profound and intimate revelation from Vladyslav and Veronika to the audience. They dedicate it to all refugees who were forced to leave their homes and were separated from loved ones, family, and their homeland, highlighting the universal power of compassion, courage, and the human spirit.

**TUESDAY 23. JANUARY 2027**  
**ONZE EARRING | COMING ON STRONG**

**Golden Earring belongs to all of us.** A piece of Dutch cultural heritage. The sound of The Hague that has shaped generations.

With Onze Earring, Coming On Strong delivers a personal and heartfelt tribute to the greatest rock band our country has ever known. As the proud third-place winner of The Tribute: Battle of the Bands, they understand what it means to create a tribute that truly resonates.

No imitation. No copy. Just a band from The Hague playing the music the way it was meant to be played: live, with full dedication and deep respect for the original. From early classics like Just A Little Bit Of Peace In My Heart and She Flies On Strange Wings to epic live pieces like Vanilla Queen. And of course, the hits are not forgotten, including Another 45 Miles, When The Lady Smiles, and Radar Love.

In a setting filled with recognizable Earring elements, the audience is taken along in a personal story about the band that shaped us. And every night, the audience gets the chance to help decide which song simply cannot be missed.

Golden Earring MAY have stopped. The sound has not.

**STUNTELMAN | HET LAAGLAND (4+)**

A hilarious explosion of vulnerability and strength

Welcome to Professor BOEM's crash lab. She devises the wildest experiments, and her stuntman carries them all out fearlessly. He seems to be made of rubber! Until things go wrong. The stuntman turns from rubber into glass; his head, arms, legs, even his hair: everything is fragile. He is Stuntelman...

In this adrenaline-fuelled musical journey of discovery, this quirky couple search together for answers. Who are you when you can no longer do the things you used to? And can vulnerability also be a strength?

**SKELETJE | MAAS THEATER AND DANCE & GROTE MENSEN (5+)**

Skeletje is a poetic, funny, and comforting performance about saying goodbye. Theatre group Grote Mensen and Maas Theater and Dance take you on a journey through memories, mourning rituals, and the mystery of death. Because saying goodbye can also be beautiful—and sometimes even festive.

Two Grown-Ups explore what it means to be dead. Taking turns, they practice saying goodbye to - and remembering - each other. This leads to confusion and unexpectedly funny moments. Together, they search for ways to do this, asking: what remains of someone, and how do you give that meaning? Slowly, a ritual takes shape, filled with lights and stories—Dance build a vibrant ritual on stage. There is room for grief—but also for celebration.

### HOUTJE | HET MINISTERIE VAN ONVERRICHTER ZAKE (3+)

Viko and Thor are singing as they work in their workshop. But then a little piece of wood gets in the way. The Little Piece of Wood doesn't fit. It doesn't belong anywhere. Such a beautiful, rough, and magnificent Little Piece of Wood... that can't be right, can it? To the rhythm of sawing, chopping, and planing, and a journey through wood shavings, splinters, and bandages, they search the jungle for where the Little Piece of Wood comes from.

Houtje is about dreams of wood. About daring to get lost along the way and discovering something new. Houtje is a performance at the intersection of theater, woodworking, and music.

Het Ministerie Van Onverrichter Zaken is an indestructible small troupe consisting of Niek van der Horst and Danielle Wagenaar. Het Ministerie creates energetic, humorous performances for everyone aged 2 and up about the things that really matter. Their previous works include: Raketje, Panama, Fatboys, Het Hoofd Van Mijn Vader, and, together with José Montoya, The Last Cookie.
